

Pūraho - Battleships

Your iwi is having ongoing problems with a neighbouring tribe. Each iwi send out warriors to seek revenge on each other until one tribe is victorious.

Who will win?

- Challenge a friend! Cut the page in half and each take a grid.
- Draw five warriors on your own grid – each warrior must be three squares.
- Take turns calling out a coordinate, e.g., D-7.
- The winner is the first player to locate and eliminate all of your opponent's warriors.
